

Fitness Scholarship Program Effective 8.28.19

The Culpeper Wellness Foundation, through the generosity of its donors, provides a limited number of fitness scholarships for low-income individuals and families at Powell Wellness Center (PWC) and Culpeper Sport & Fitness (CSF). Priority is given to those who have a documented medical condition and are referred by a physician for the FitScripts program. The amount of scholarship assistance provided to each applicant will be based on gross annual household income.

Applicants must complete and submit all requested documentation including:

- (1) Fitness Scholarship Application**
- (2) Documentation of Financial Hardship**
- (3) Physician Referral for Fit Scripts, if applicable**

Culpeper Wellness Foundation reserves the right to require further documentation as deemed necessary. The information you provide will be kept confidential.

Scholarships for the FitScripts program will be awarded for the length of the program, typically 8 weeks. Upon completion of the program, participants may request a scholarship for the monthly membership fee. One time join fees will apply. Membership scholarships will be provided for a period of 3 months and may be renewed or discontinued at the discretion of Culpeper Wellness Foundation. Scholarship recipients are expected to use the facility regularly in order to improve health and promote wellness. Lack of use will result in termination of the scholarship. All terms and conditions included in the Membership Agreement apply.

Scholarships are not typically provided for programs and services offered at an additional fee. Exceptions may be made at the discretion of the Foundation.

Applications will be subject to a 2-4 week processing timeframe. Applicants will be notified in writing or by email of the scholarship decision. Scholarships are reviewed on a monthly basis and awarded to begin on the first of the appropriate month.
