Fitness class descriptions

GROUP FITNESS

3 Mile Walk: Constant movement in this low impact, cardio boosting workout will ensure lots of steps that add up to 3 miles.

Arthritis Mobility Essentials: For anyone with arthritis and all activity levels. Class begins with joint check and warm up, then stretching and range of motion, followed by strengthening, cardiovascular endurance and balance and coordination. Class wraps up with joint check and relaxation and breathing techniques.

Beginners' Yoga: Learn the fundamental poses of yoga as you build strength, increase flexibility, and find focus. This challenging and dynamic class will invigorate the entire body through breath and movement. Ideal for anyone new to yoga.

Chair One & Seated Strength: A balance of seated aerobics and seated strength training in a 60-minute workout. Standing progressions available to allow participants to challenge themselves as desired. A gentle warm-up will prepare participants to raise their heart rates with intervals of chair based cardio exercises and build total body strength from a seated position. Finish with a relaxing seated stretch. For all fitness levels and abilities.

Chair One Fitness: A super fun 45-minute chair-based dance fitness program with activities of daily living incorporated into cool dance moves. Appropriate for all levels, Chair One keeps people moving, and smiling too!

Core Focus: 30-minute core workout designed to focus on your foundation. Bodyweight movements will create stability from the middle of your body, layering on balance and strength progressions of exercises from beginner to advanced. Participants must be comfortable getting down to the floor.

Cycling: Saddle up for a great workout to increase muscular strength and cardiovascular endurance without heavy impact on the joints. A motivating soundtrack helps you tackle hills, flats, sprints and mountains.

Fortify Your Frame: This is a challenging but safe muscle conditioning workout. Designed for all ages and fitness levels to build strength in support of injury resistance and overall functionality. The workout targets every major muscle group with a progressive approach to utilizing the powerful force of gravity.

FUNctional Strength: A dynamic and challenging strength workout focusing on movements that support activities of daily living, balance & coordination. Participants will explore modalities and equipment such as kettlebell, TRX, resistance bands & dumbbells.

Gentle Flow: Increase muscular strength, endurance, and overall flexibility, while learning relaxation techniques utilizing Hatha, Iyengar, and YogaFit postures. Gentle Flow refines the basics learned in Beginners' Yoga.

Gentle Yoga and Meditation: Classes combine gentle postures with easy movement, breathwork and guided meditation. Blanket or covering recommended for comfort.

Golden Grooves: This class is perfect for active older adults who love music and dancing but prefer lower-intensity moves. Easy to follow choreography will focus on balance, range of motion, coordination and fun. Spontaneous singing and woohoo-ing welcome!

Kettlebell Strength: Takes heart pumping music and your favorite kettlebell moves and combines them into calorie torching fun! (Class is held in person at PRFC & available on Zoom.)

POUND®: This class uses Ripstix®, lightly weighted drumsticks engineered specifically for exercising. POUND is an effective way of working out with strength and cardio benefits. POUND is designed for all fitness levels.

Practical Pilates: This class on the mat incorporates movement with guided breathing and proper alignment to develop strength and endurance. Participants should be comfortable on the floor.

Retro Aerobics: Low impact cardio, core and strength exercises, plus a good stretch all with fun music and camaraderie!

Rock Steady Boxing: Rock Steady Boxing is a non-contact boxing based fitness curriculum designed to improve the quality of life for people with Parkinson's disease. Fee based.

Seated Yoga: Smooth gentle movements while seated. Strengthen the immune system while improving balance and stamina, and increasing flexibility with gentle yoga movements.

Senior Strength: This class includes exercises to improve muscular strength and ward off age-related muscle loss as well as keep bones strong, improve mobility, prevent falls, and combat depression. Seated and standing exercises included. Open to all levels. Modifications offered.

Stability & Balance: Exercises to target balance, strength and joint mobility. Learn ways to make measurable improvements while having fun!

Step & Strength: 45-minute step class that combines step choreography & intervals of strength exercises. Get your heart rate up, boost cardio endurance & increase muscle tone. (Class is held in person at PRFC & available on Zoom.)

Yoga 1: Increase strength, endurance and flexibility while learning relaxation techniques using Hatha, Iyengar & YogaFit postures. Refines the basics learned in Beginners' Yoga.

Zumba ®: This class fuses upbeat rhythms and music with easy-to-follow dance-style moves to create a fun, engaging, and dynamic workout.

AQUATICS

AMRAP HIIT: This fun and intense HIIT class will challenge you to do one rep more each round!

Aqua Bata Bing: Is a shallow water TABATA workout in the river! This high energy HITT program is six rounds of FUN! The intense workout is perfect for all fitness levels. Water shoes are suggested and webbed gloves would enhance your workout, but are not required.

Aqua Blaze: A grab bag of interval training and Tabata workouts in the river with surprise suspended moves tossed in, making your body a calorie burning machine after class.

Aqua Bootcamp: High intensity water fitness with travel combinations interspersed with stationary exercises. Incorporating pyramid and interval training, power drills, speed bursts and kickboxing drills. Requires no coordination but lots of stamina.

Aqua Strong: For moderate to higher fitness levels. This class in the river rotates to focus on primarily upper body and core strength or lower body and core strength to develop overall tone and strength. Water shoes strongly encouraged.

Deep Water Blast: Grab an aqua belt and plunge into the deep water. This class provides an intense, impact free workout targeting large muscle groups while improving core, strength and stability.

Family Swim: PWC offers a safe and enjoyable swimming environment for families to gather for swimming.

Flex & Flow: A slow paced class focusing on exercises to increase flexibility, improve balance and decrease joint pain. Held in the middle, shallow section of the aquatic area. Pool noodles are encouraged for stability and support.

Fluid Pilates: This aquatic workout features standing Pilates choreography that includes both isolated and sequenced movements which engage the POWERHOUSE through rhythmic arm and leg patterning in the river.

Liquid Silver: This class in the river will cover functional fitness with cardio, strength, balance and stretching! No equipment needed. This class moves to your beat!

Volleyball: Playing in the water makes the game gentle on your joints; come have some fun!

Water Gym: A gym-style circuit workout in the river working your upper body, lower body and core. Total body training in one workout -- take the plunge into Water Gym!
